By execution of this agreement, Customer warrants that Customer is willing and financially able to sustain any such losses. The Customer at all times shall enter into Contracts at his own risk and shall limit his dealing with IndiceFX on an execution-only basis.

7. Over-the-Counter Trading

Customer understands that Over-the-counter ("OTC") products in currencies are not traded on exchanges as there is no central clearing mechanism to guarantee OTC trades. IndiceFX may apply its own risk analysis in deciding whether to participate in a particular market where its credit must stand behind each trade. Depending on the policies adopted by IndiceFX as counter-party, the company may decline to execute an order placed by a customer. IndiceFX will rely on their own knowledge of market prices in agreeing to an execution price. The execution price obtained for a customer to a large extent will reflect the true market price of a particular currency. While the OTC market as a whole is highly liquid, certain currencies, are less frequently traded and for this reason, IndiceFX may take longer to fill an order or may obtain an execution price that differs widely from the market.

8. INDEMNIFICATION.

Customer hereby agrees to indemnify IndiceFX and hold IndiceFX harmless from any liability, losses, damages, costs or expenses (including attorneys' fees and expenses and any fines or penalties imposed by any governmental agency, contract market, exchange, clearing organization or other self-regulatory body) which IndiceFX may incur or be subjected to with respect to Customer's account or any transaction or position therein, or which arise out of, or which in any manner or way whatsoever are related to any

INDICE FX CUSTOMER ACCOUNT AGREEMENT

representation made by Customer in this Agreement, or by Customer's failure to perform any of his agreements made herein, including, but not limited to, the failure to immediately pay any deficit balances which may arise in Customer's account(s). This indemnity shall not apply in case IndiceFX shall become a party, without fault on IndiceFX' part, to any action or proceedings arising out of Customer's account(s) or orders given by CMS Prime. Without limiting the generality of the foregoing, Customer agrees to reimburse IndiceFX on demand for any cost of collection incurred by IndiceFX in collecting any sums owing by Customer under this agreement and any cost incurred by IndiceFX in successfully defending against any claims asserted by Customer, including all attorneys' fees, interest and expenses.

9. RECORDING.

Customer understands that all conversations regarding Customer's accounts, orders and Commodity Contracts between Customer and IndiceFX may be recorded by IndiceFX, and Customer irrevocably consents to such recordings and waives any right to object to IndiceFX' use of such recordings as evidence in any proceeding or as IndiceFX otherwise deems appropriate. Such recordings shall remain the sole property of IndiceFX.

10. FOREIGN CURRENCY.

If any transaction for Customer's accounts is affected on any exchange or in any market on which transactions are settled in a foreign currency, any profit or loss arising as a result of a fluctuation in the rate of exchange between such currency and the United States Dollar shall be entirely for Customer's account and at Customer's sole risk. IndiceFX is hereby authorized to convert funds in Customer's accounts into and from such foreign currency at rates of exchange prevailing at the banking and other institutions with which IndiceFX normally conducts such business transactions.

11. MARGIN REQUIREMENTS.

Customer agrees to maintain at all times without demand from IndiceFX margin requirements for the positions in the customer's account(s). Customer will at all times maintain such margin or collateral for Customer's account(s) as requested from time to time by IndiceFX in its sole discretion (which requests may be greater than exchange and clearing house requirements). IndiceFX' determination of the current market value and the amount of additional and/or variation margin shall be conclusive and shall not be challenged by Customer. The Customer agrees to pay immediately and on demand any amount of margin deposits owing with respect to any of his accounts. It is agreed and understood that one hour is deemed to be a reasonable time for the customer to pay margin deposits, provided, however that IndiceFX, in its sole and absolute discretion, may request that deposits be made in a lesser period of time. Margin deposits shall be made by wire transfer of immediately available funds, or by such other means as IndiceFX may direct and shall be deemed made when received by IndiceFX. IndiceFX' failure at any time to call for a deposit of margin shall not constitute a waiver of IndiceFX' rights to do so at any time thereafter, nor shall it create any liability of IndiceFX to Customer. Customer shall provide IndiceFX with the names of bank officers and information necessary for immediate verification of wire transfers.

INDICE FX CUSTOMER ACCOUNT AGREEMENT

12. LIQUIDATION OF POSITIONS.

In the event that (a) Customer shall fail to timely deposit or maintain margin or any amount hereunder; (b) Customer (if an individual) shall die or be judicially declared incompetent or (if an entity) shall be dissolved or otherwise terminated; (c) a proceeding under the Bankruptcy Act, an assignment for the benefit of creditors, or an application for a receiver, custodian, or trustee shall be filed or applied for by or against Customer; (d) attachment is levied against Customer's account; (e) the property deposited as collateral is determined by IndiceFX in its sole discretion, regardless of current market quotations, to be inadequate to properly secure the account; or (f) at any time IndiceFX deems it necessary for its protection for any reason whatsoever, IndiceFX may, in the manner it deems appropriate and without prior notice or demand, close out Customer's open positions in whole or in part, sell any or all of Customer's property held by IndiceFX, buy any securities, Commodity Contracts, or other property for Customer's account, and may cancel any outstanding open orders and commitments made by IndiceFX on behalf of Customer. Such sale, purchase or cancellation may be made at IndiceFX' discretion without advertising or notice to Customer or his personal representatives and without tender, demand for margin or payment, or call of any kind upon Customer. It is understood and agreed that IndiceFX has no duty and is not required to liquidate positions in Customer's account(s) and that the provisions of this paragraph are solely for the protection of IndiceFX. The proceeds of such transactions, if any, are to be applied first to reduce any indebtedness owing by Customer to Capita Market Solutions and thereafter to Customer's account. IndiceFX may purchase the whole or any part thereof free from any right of redemption. It is understood that a prior demand or call or prior notice of the time and place of such sale or purchase shall not be a waiver of IndiceFX' right to sell or buy without demand or notice as herein provided. Subject to applicable laws and rules, and in order to prevent non-permitted trading in debit/deficit accounts, profits on any trades executed without IndiceFX' express permission, for a Customer account that is debit/deficit at the time the order is placed, shall be for IndiceFX' account if IndiceFX in its discretion so elects. Losses on any such trades shall be jointly and severally borne by the Introducing Broker, if any, and the Customer. Customer shall remain liable for and pay IndiceFX the amount of any deficiency in any account of Customer with IndiceFX resulting from any transaction described above.

13. TRADING LIMITATIONS.

IndiceFX at any time, in its sole discretion, may limit the number of positions, which Customer may maintain or acquire through IndiceFX, and IndiceFX is under no obligation to affect any transaction for Customer's accounts, which would create positions in excess of the limit which Capital Market Solutions has set. Customer agrees not to exceed the position limits established for any contract market, whether acting alone or with others, and to promptly advise IndiceFX if Customer is required to file any reports on positions. IndiceFX also reserves the right to decline to accept any additional orders after the limit has been exceeded, and to liquidate all or part of the surpassed positions thereafter.

14. OPTION TRANSACTIONS.

If such instructions or such funds and/or documents, with regard to option transactions, are not received by IndiceFX prior to the expiration of the option, IndiceFX may permit an option to expire. Customer also understands that certain exchanges and clearinghouses automatically exercise some “in the- money” options unless instructed otherwise. Customer acknowledges full responsibility for taking action either to exercise or to prevent exercise of an option contract, as the case may be; IndiceFX is not required to take any action with respect to an option, including without limitation any action to exercise a valuable option contract prior to its expiration or to prevent the automatic exercise of an option, except upon Customer's express instructions. Customer further understands that IndiceFX also has established exercise cut-off times which may be different from the times established by the contract markets in clearing houses. In the event that timely exercise and assignment instructions are not given, Customer hereby agrees to waive any and all claims for damage or loss Customer might have against IndiceFX arising out of the fact that an option was or was not exercised. Customer understands that IndiceFX randomly assigns exercise notices to Customers, that all short option positions are subject to assignment at any time, including positions established on the same day that exercises are assigned, and that exercise assignment notices are allocated randomly from among all Customers' short option positions which are subject to assignment.
